

# VOLVO TRUCKS NEW DRIVER ENVIRONMENT

# WITH THE NEW INTERIOR, EVERY CONVENIENCE, CONTROL IS DESIGNED TO IMPROVE LIFE ON THE

Inside the cab, we've made upgrades that drivers will appreciate. New fabric and surface colors create a modern, automotive look. Dark consoles and kick panels add dramatic visual contrast. And new choices in seat coverings allow greater customization and comfort. It's a handsome, updated interior that makes life on the road more pleasant and productive.

# FEATURE AND ROAD.

### Sound System

- The VN's advanced audio system features speakers that are specially tuned and positioned for optimum sound quality.
- Seven sound system options including Bluetooth, satellite radio and auxiliary jack are available to suit individual needs.

### Sunroof and Overhead Storage

- A large sunroof provides additional daylight for the cab.
- Overhead compartments provide additional forward storage.

### Front and Rear Automatic Climate Control

- Cab climate controls maintain a constant temperature for the driver.
- Sleeper climate controls offer custom comfort throughout the cab. Audio can also be controlled from the sleeper.

### Privacy Curtain

- A privacy curtain lets teams close off the sleeper compartment for undisturbed relaxation.

### Passenger Side Storage

- The modular vertical cabinet system can be configured to suit individual storage needs.
- Options include television prep, 120v shore power, and inverter.

### Driver Side Storage

- Door and drawer compartments provide safe, spacious custom storage.
- Options include sink, 12v power prep, and refrigerator.

### Dining Area/Workstation

- This option creates an inviting space that can be used as either a dining table or office desk and comfortably seats two to four adults.

# COMFORT HAS NEVER LOOKED SO GOOD.

## Driver Side

- Plenty of personal space, with all instruments, controls and displays within easy view and reach.
- Handy storage compartments keep everything secure and organized.
- The ergonomic seat ensures generous comfort and support, mile after mile.

## Tilt and Telescoping Steering Column

- Steering wheel can tilt from 0°-30°, so it can be positioned up and out of the way for easy entry and exit.

## Cup Holder

- Generously sized cup holders are integrated into the molded engine cover for convenience and stability.

## Front Climate Control

- Handy temperature and fan controls provide optimum comfort for driver and passenger.
- The electronic climate control system has the option to automatically adjust temperature and blower speeds, ensuring driver comfort.

## TRIM LEVELS

The new Volvo truck environment offers three interior Trim Levels depending on the model selected. Each is a handsome blend of brown and ivory tones.
